Refer Note No.3.12 to the accompanying Standalone financial statements regarding the stock of shares held as inventories as at 31st March 2023. The Company has not provided the latest valuation report of stock of shares held as stock in trade. According to information available and explanations obtained in respect of the shares held as inventory in group companies ("the parties") it has been observed from the perusal of the financial statements of these parties that the said parties have accumulated losses and their respective net worth have been substantially eroded. Further some of these parties have incurred net loss during the current year and previous year(s). Further there is a clear indication that there is a decline in the carrying amount of these stocks which is other than temporary. Due to the absence of the valuation report and other supportive audit evidence, we are unable to comment upon the value of shares held as stock in trade and also, we are unable to comment upon its recoverability in cash or kind, if any.

Response of your Board of Directors -

Stock of shares whereof unquoted securities and its actual expenditure was accounted. As per Board's opinion, the value adopted was reasonable and fair.

The Board of Directors expects better performance of the Group companies in the near future and corresponding increase in the value of shares of Group Companies.

Refer Note No. 3.20 to the accompanying Standalone financial statements – A sum of Rs. 862.18 Lakhs pertaining to the bad debts has been written off in the Current Financial Year by the Company, in respect of Loan and advance to various parties and Chitty dues/advances from various parties. As informed by the management is that the company has initiated legal action to recover the debts before providing long outstanding doubtful debts. We have accepted the management representation regarding the quantum of write off and provision in respect of Loans and advances. Since the company has not provided any third-party confirmation or reconciliation against the Other Loans and Advance, Chitty dues/advance and Pronote Loans we are not in a position to comment upon the Bad debts written off in the financials.

Response of your Board of Directors -

The company has taken legal actions to recover the debts. Based upon the continuous follow up and legal steps, the amounts not yet recovered were considered as bad debts.

Regarding non availability of confirmations in respect of debit and/or credit balances of Loans, Advances, Deposits, Kuri Payables and Current Liabilities. In the absence of such confirmations, any provision to be made for the adverse variation in carrying of amounts of these balances, cannot be quantified, as well as the quantum of adjustment if any, required to be made remains unascertained. (Refer Note No 2.19)

Response of your Board of Directors -

The company is constantly following up through recovery process.

We draw your attention to Note 3.09 to the accompanying standalone financial statements regarding Other Receivables from group concern relates to earlier years and interest thereon, which is outstanding as at the reporting date. Management has provided simple interest at the rate higher than the government securities against the amount recoverable form the Group concern. # Independent Auditor's Report

#### TO THE MEMBERS BRD FINANCE LIMITED

Report on the Audit of the Financial Statements for the year 2022-2023

## **Qualified Opinion**

- 1. We have audited the Standalone financial statements of BRD FINANCE LIMITED ("the Company"), which comprise the balance sheet as at March 31, 2023, and the statement of Profit and Loss and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2023 and Profit/loss and its cash flows for the year ended on that date.

## Basis for Qualified Opinion

- 3. We draw your attention to the following matters:
  - i. Refer Note No.3.12 to the accompanying Standalone financial statements regarding the stock of shares held as inventories as at 31st March 2023. The Company has not provided the latest valuation report of stock of shares held as stock in trade. According to information available and explanations obtained in respect of the shares held as inventory in group companies ("the parties") it has been observed from the perusal of the financial statements of these parties that the said parties have accumulated losses and their respective net worth have been substantially eroded. Further some of these parties have incurred net loss during the current year and previous year(s). Further there is a clear indication that there is a decline in the carrying amount of these stocks which is other than temporary. Due to the absence of the valuation report and other supportive audit evidence, we are unable to comment upon the value of shares held as stock in trade and also, we are unable to comment upon its recoverability in cash or kind, if any.
  - ii. Refer Note No.3.09 to the accompanying Standalone financial statements regarding Other Loans and Advance, Kuri payables, security deposits, advances Pronote Loans and interest receivable thereon as at 31st March, 2023 given to various parties and outstanding as at 31st March, 2023, in the absence of third party confirmation, reconciliation, if any and other supportive audit evidence, we are unable to comment upon its recoverability in cash or kind, if any.
  - iii. Refer Note No. 3.20 to the accompanying Standalone financial statements A sum of Rs. 862.18 Lakhs pertaining to the bad debts has been written off in the Current Financial Year by the Company, in respect of Loan and advance to various parties, Chitty dues/advances and interest receivable from various parties. As informed by the management is that the company has initiated legal action to recover the debts before providing long outstanding doubtful debts. We have accepted the management representation regarding the quantum of write off and provision in respect of Loans and advances. Since the company has not provided any third-party confirmation or reconciliation against the Other Loans and Advance, Chitty dues/advance and Pronote Loans we are not in a position to comment upon the Bad debts written off in the financials. ./
  - iv. Regarding non availability of confirmations in respect of debit and/or credit balances of Loans, Advances, Deposits, Kuri payables, security deposits and Current Liabilities, In the absence of such confirmations, any provision to be made for the adverse variation in carrying of amounts of these balances, cannot be quantified, as well as the quantum of adjustment if any, required to be made remains unascertained. (Refer Note No 2.19)
  - v. We draw your attention to Note 3.09 to the accompanying standalone financial statements regarding Other Receivables from group concern relates to earlier years and interest thereon, which is outstanding as at the reporting date. Management has provided simple interest at the rate higher than the government securities against the amount recoverable form the Group concern. On the basis of the financial ratios, Ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, and based on our examination of the evidence of supporting the assumptions, we believe that material uncertainty exists as on the date of the audit report that , the Group Concern is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

4. We conducted our audit of the Standalone financial statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Emphasis of Matter**

5. We draw your attention to the following matters:

i. We draw your attention to Note. 2.21 The Minority Shareholders has filed a petition in NCLAT, against final verdict of the Hon'ble NCLT which was in favour of the company. The Company has filed counter affidavit on this matter .The proceedings of the petition filed has not started on the reporting date. The management believes that it is a strong case on merits and as per the current position of the case the liability if any arising out of this contingency cannot be determined at this stage and at present no adjustment is required in the financial statements.

The Board of Directors of the Company is of the view that in the short term its main challenge is to recover the money from defaulting customers. As explained by the management, the Company is making all out efforts in recovering the amounts from defaulters for settlement as well as its other receivables. The Company has continuing support from its group concerns and on the basis of such support, business plans of the future & other factors, the accounts for the year ended 31 March 2023 are prepared on going concern basis. We have relied on the above-mentioned explanations and information given by the Management.

#### **Key Audit Matters**

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

## Key audit matter

# How our audit addressed the key audit matter

## The Company has investments in subsidiaries.

These investments are accounted for at cost less impairment. If an impairment exists, the recoverable amounts of the above investment are estimated in order to determine the extent of the impairment loss, if any.

Determination of triggers for impairment in value of these investments and recoverable amount involves significant estimates and judgements, including those related to the possible effect of the COVID-19 pandemic.

Evaluation of impairment risk and assessing whether triggers exist for any investment based on consideration of external and internal factors affecting the value and performance of the investment.

Our audit procedures included:

Obtained management assessment of recoverable amount for investments where impairment risk is identified.

Evaluated the mathematical accuracy of the cash flow projection and assessed the underlying key assumptions in management's valuation models used to determine recoverable amount considering external data, including assumptions of projections, and assessed the forecasts against the historical performance, including the impact of the COVID-19 pandemic.

## Information Other than the Financial Statements and Auditor's Report Thereon

7. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

- 9. Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements
- 10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 11. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- 12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have audited the internal financial controls over financial reporting of BRD Finance Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Independent Auditor's Report

To the Members BRD Finance Limited

Report on the Audit of the Consolidated Financial Statements

#### **Qualified Opinion**

- 1. We have audited the consolidated financial statements of BRD Finance Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate, which comprise the consolidated balance sheet as at 31 March 2023, and the consolidated statement of profit and loss and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").
- 2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2023, of consolidated profit/loss, and its consolidated cash flows for the year then ended.

## Basis for Qualified Opinion

- 3. We draw your attention to the following matters:
  - i. Refer Note No.3.11 to the accompanying consolidated financial statements regarding the stock of shares held as inventories as at 31st March 2023. The Company has not provided the latest valuation report of stock of shares held as stock in trade. According to information available and explanations obtained in respect of the shares held as inventory in group companies ("the parties") it has been observed from the perusal of the financial statements of these parties that the said parties have accumulated losses and their respective net worth have been substantially eroded. Further some of these parties have incurred net loss during the current year and previous year(s). Further there is a clear indication that there is a decline in the carrying amount of these stocks which is other than temporary. Due to the absence of the valuation report and other supportive audit evidence, we are unable to comment upon the value of shares held as stock in trade and also, we are unable to comment upon its recoverability in cash or kind, if any.
  - ii. Refer Note No.3.08 to the accompanying consolidated financial statements regarding Other Loans and Advance, Kuri payables, security deposits, advances, Pronote Loans and interest receivable thereon as at 31st March, 2023 given to various parties and outstanding as at 31st March, 2023, in the absence of third party confirmation, reconciliation, if any and other supportive audit evidence, we are unable to comment upon its recoverability in cash or kind, if any.
  - iii. Refer Note No. 3.20 to the accompanying consolidated financial statements A sum of Rs. 862.18 Lakhs pertaining to the bad debts has been written off in the Current Financial Year by the Company, in respect of Loan and advance to various parties and Chitty dues/advances and interest receivable from various parties. As informed by the management is that the company has initiated legal action to recover the debts before providing long outstanding doubtful debts. We have accepted the management representation regarding the quantum of write off and provision in respect of Loans and advances. Since the company has not provided any third-party confirmation or reconciliation against the Other Loans and Advance, Chitty dues/advance and Pronote Loans we are not in a position to comment upon the Bad debts written off in the financials.
  - iv. Regarding non availability of confirmations in respect of debit and/or credit balances of Loans, Advances, Deposits, Kuri Payables, security deposits and Current Liabilities. In the absence of such confirmations, any provision to be made for the adverse variation in carrying of amounts of these balances, cannot be quantified, as well as the quantum of adjustment if any, required to be made remains unascertained. (Refer Note No 2.19)
  - v. We draw your attention to Note 3.09 to the accompanying consolidated financial statements regarding Other Receivables from group concern relates to earlier years and interest thereon, which is outstanding as at the reporting date. Management has provided simple interest at the rate higher than the government securities against the amount recoverable form the Group concern. On the basis of the financial ratios, Ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the consolidated financial statements, and based on our examination of the evidence of supporting the assumptions, we believe that material uncertainty exists as on the date of the audit report that , the Group Concern is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

4. We conducted our audit of the consolidated financial statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Emphasis of Matter** 

- 5. We draw your attention to the following matters:
  - i. We draw your attention to Note. 2.21 The Minority Shareholders has filed a petition in NCLAT, against final verdict of the Hon'ble NCLT which was in favour of the company. The Company has filed counter affidavit on this matter. The proceedings of the petition filed have not started on the reporting date. The management believes that it is a strong case on merits and as per the current position of the case the liability if any arising out of this contingency cannot be determined at this stage and at present no adjustment is required in the financial statements.

The Board of Directors of the Company is of the view that in the short term its main challenge is to recover the money from defaulting customers. As explained by the management, the Company is making all out efforts in recovering the amounts from defaulters for settlement as well as its other receivables. The Company has continuing support from its group concerns and on the basis of such support, business plans of the future & other factors, the accounts for the year ended 31 March 2023 are prepared on going concern basis. We have relied on the above-mentioned explanations and information given by the Management.

#### **Key Audit Matters**

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter

How our audit addressed the key audit matter

The Company has investments in subsidiaries.

These investments are accounted for at cost less impairment. If an impairment exists, the recoverable amounts of the above investment are estimated in order to determine the extent of the impairment loss, if any.

Determination of triggers for impairment in value of these investments and recoverable amount involves significant estimates and judgements, including those related to the possible effect of the COVID-19 pandemic.

Evaluation of impairment risk and assessing whether triggers exist for any investment based on consideration of external and internal factors affecting the value and performance of the investment.

Our audit procedures included:

Obtained management assessment of recoverable amount for investments where impairment risk is identified.

Evaluated the mathematical accuracy of the cash flow projection and assessed the underlying key assumptions in management's valuation models used to determine recoverable amount considering external data, including assumptions of projections, and assessed the forecasts against the historical performance, including the impact of the COVID-19 pandemic. How our audit addressed the key audit matter

7. The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Holding Company's annual report is expected to be made available to us after the date of this auditor's report

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Holding Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

- 8. The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. The respective Management and Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.
- 9. In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 10. The respective Board of Directors of the Companies included in the Group are responsible for overseeing the financial reporting process of each Company

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

- 11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
- 12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or erro r, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements. We remain solely responsible for our audit opinion.
- 13. We communicate with those charged with governance of the Holding Company and such other Companies included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit
- 14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure I to the Independent Auditors' Report on the consolidated financial statements of BRD Finance Limited for the year ended 31 March 2023

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013

In conjunction with our audit of the consolidated financial statements of BRD Finance Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2023, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

#### Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary companies, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

### **2.1.** Basis of preparation

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

### **2.2.** Principles of consolidation

The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as of the Company.

The consolidated financial statements have been prepared on the following basis:

- i) The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transactions and unrealised profits or losses have been fully eliminated. Share of net profit from associate company has been included on the basis of provisional f igures provided by the management.
- ii) The share of profit / loss of associate companies is accounted under the 'Equity method' as per which the share of profit / loss of the associate company has been adjusted to the cost of investment. An associate is an enterprise in which the investor has significant influence and which is neither a subsidiary nor a joint venture.
- iii) The excess of the cost to the parent of its investments in a subsidiary over the parent's portion of equity at the date on which investment in the subsidiary is made, is recognised as 'Goodwill (on consolidation)'. When the cost to the parent of its investment in a subsidiary is less than the parent's portion of equity of the subsidiary at the date on which investment in the subsidiary is made, the difference is treated as 'Capital Reserve (on consolidation)' in the consolidated financial statements.
- iv) Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments in the subsidiary companies are made and further movements in their share in the equity, subsequent to the dates of investments.
- v) On disposal of a subsidiary, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

#### **2.3.** Uses of Estimates

The preparation of financial statements requires the management of the Company to make estimates—and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Examples of such estimates include provisions for doubtful receivables, employee benefits, provision for income taxes, the useful lives of depreciable fixed assets and provision for impairment.

Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognised in the period in which the results are known / materialise

# **2.7.** Depreciation and Amortisation

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. In respect of additions or extensions forming an integral part of existing assets, depreciation is provided as aforesaid over the residual life of the respective assets.

\* Depreciation on additions (disposals) is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).

# 2.8. Impairment

At Balance Sheet date, an assessment is done to determine whether there is any indication of impairment in the carrying amount of the Company's assets. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recog nised whenever the carrying amount of an asset exceeds its recoverable amount.

An assessment is also done at each Balance Sheet date whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. If any such indication exists, the asset's recoverable amount is estimated. The carrying amount of the fixed asset is increased to the revised estimate of its recoverable amount but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised in the Statement of Profit and Loss for the year.

After recognition of impairment loss or reversal of impairment loss as applicable, the depreciation charge for the fixed asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on written down value basis over its remaining useful life.
